*** Networking boards during the Wednesday break**

Add your name, institution/country, email and topic to a board (or via QR code): looking for research partners · looking for BIP / Erasmus+ partners · pitching a programme or project · open to guest lecturing & staff exchange · open to student exchange · collaborating on AI & EdTech in healthcare education. The details feed the networking space and pitching tables on Thursday.

Programme subject to change. Times are local time (CET/CEST).
